OFF TO D.C.: Don Cagen and his popular society orchestra have been tapped for the Presidential Inaugural Home State Ball at the Washington Convention Center Jan. 20 — clearly one ball that newly sworn-in **President Obama** and **Vice President Biden** will attend, along with an estimated 6,500 others. Chicagoans will get a sneak peek of Cagen and wife **Becky Cagen's** performance between 11:30 a.m. and 2 today when the Cagens and their musicians practice for the inaugural in the Grand Ballroom of the Ritz-Carlton Hotel at Water Tower Place.
